Third Quarter 2009 Summary:

- Net Sales were €118.3 million as compared to €142.3 million in 3Q 2008;

Third Quarter Results

Natuzzi Group **net sales** during the third quarter of 2009 totaled €118.3 million and decreased by 16.8% as compared to the same quarter of last year. This decrease in sales was primarily due to the world-wide economic recession that had a negative impact on the consumer sector. The contribution to upholstery net sales by geographic area was as follows: Europe 54.5%; Americas 32.6% and rest of the world 12.9%.

Gross profit totaled €47.5 million or 40.1% of net sales versus 25.8% in the same period of 2008. The significant improvement was the result of internal restructuring processes and a reduction in raw materials costs.

Pasquale Natuzzi, Chairman and CEO, commented: “Third quarter results represent the second consecutive quarter during which we achieved positive operating income, despite the unfavorable economic environment. The restructuring and rationalization process continue to

benefit our results. During this time we set up various initiatives and processes such as product standardization and innovation, improvement of the raw material procurement and reduction in lead times”.
